

GREEN PEEL® Herbal Peeling Classic

Home Care Set contains:

- Special Care Cream or Special Regulating Cream 15 ml – Apply on the skin morning and night.
- Blemish Balm (Light, Classic or Honey) 15 ml – Apply to the skin morning and night.
- Herbal Care Lotion 50 ml
- Optimum Protection Cream • SPF 20 75 ml

During the peeling process, your client may cleanse and refresh their skin with Herbal Care Lotion. Then a small amount of Special Care Cream or Special Regulating Cream is mixed with Blemish Balm and applied mornings and evenings. On the day of a stronger peeling of the skin, your client can apply Special Care Cream or Special Regulating Cream) mixed with Blemish Balm several times a day. The skin generally begins to peel 3-4 days after the treatment. After 5 days your customer must return to the salon for a Beauty Finish treatment with active ingredients.

Bathing, swimming and sauna visits are not allowed during the 5 days because the herbal particles can be washed out of the skin or the skin can swell. Water may not touch the client's skin for 5 days after a GREEN PEEL® Herbal Peeling Classic. After 5 day, the client need to return to the salon for the Post Procedure- Beauty Finish Treatment.

After the Beauty Finish treatment(optional)

- Herbal Active ampoules, 7 pieces cure (Pure or Vital)

The treatment with intensive effect – visibly reducing skin problems.

.1

GREEN PEEL® Energy

Indications

- Activation of circulation, i.e., with pale or sun-exposed skin
- Counteract first lines and wrinkles (pre-aging)
- Excessive callous formation
- Detoxification of skin
- Regeneration of neck and cleavage

- Support for body detoxification and firming
- Pigment disorders • Keratosis pilaris (lichen pilaris)

IMPORTANT: consulting Skin may redden slightly after the treatment and might feel mildly prickling. The herbal massage can remove the top layer of stratum corneum, which could lead to a mild flaking over the next few days. Intense sun exposure should be avoided.

Curative: four treatments in two months
